Multi-bank

Highly configurable

Magnet Challenge/Response

- ▶ Strongest security system for any combination of services, customers and bank users
- ▶ Integral part of the Magnet e-Commerce platform engine for all applications
- ▶ Interfaces challenge response dialog to the bank's back-office using the bank's security server

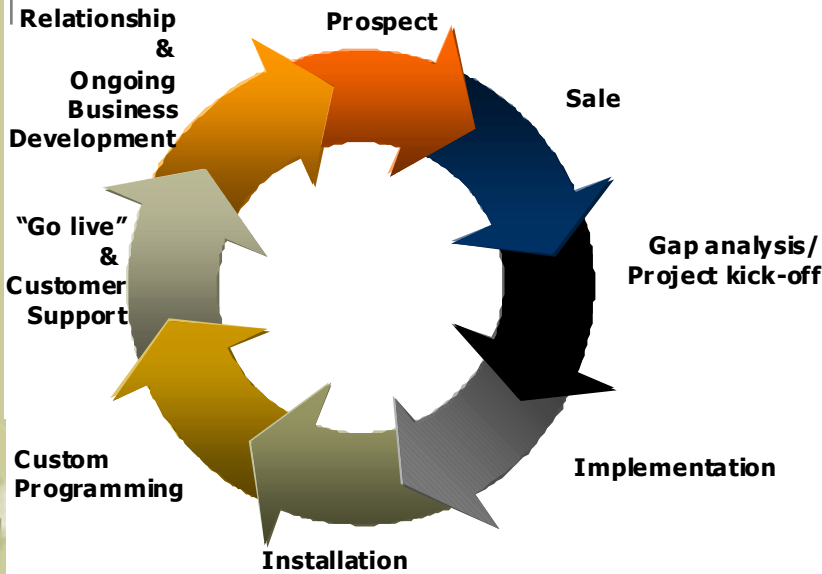

Hot Site Back-up

- ▶ UUNet co-location site in Vienna, VA
- ▶ Facility management provided by UUNet and offers 100% service guarantee
- ▶ All customer equipment and services are managed by Magnet personnel remotely or on-site

Client Engagement Cycle

iPortBizSM

**Operates on the
Magnet Outsource Service (MOS)**

- ▶ A bank-branded e-commerce portal that provides web-based banking and business services
- ▶ Enables banks to capitalize on small business customer relationships
- ▶ Appeals to emerging and SOHO business segments
- ▶ Expands delivery options from Web to wireless

Many Firsts . . .
